

IF WE ARE SENT HOME FROM SCHOOL

If your school is closed or if your class is sent home please follow the advice from your school and the health authorities

A SOCIAL STORY

Stay at home

If somebody in my class tests positive for COVID-19 my class/bubble will have to stay at home for a while

This is so that we can keep others safe in case we have caught the virus too

My grown-ups will be told that I have to stay at home and they will tell me when it is safe to come back to school

REMEMBER TO SOCIAL DISTANCE & WASH YOUR HANDS

We should stay at home for 2 weeks if
we can

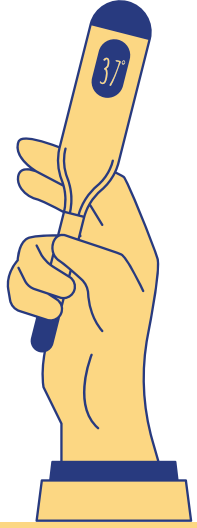

If we go outside we
need to stay 2
metres apart from
other people

We all need to wash our hands with
water and soap to get rid of the
germs that might be there

You can also use alcohol or
hand sanitizer

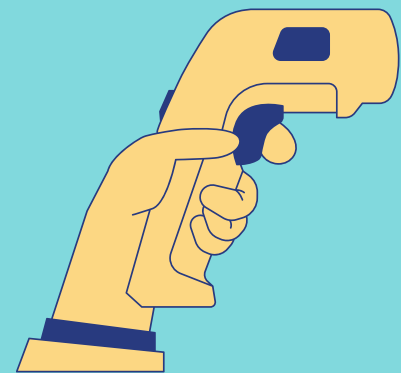

CHECKING THAT WE'RE HEALTHY

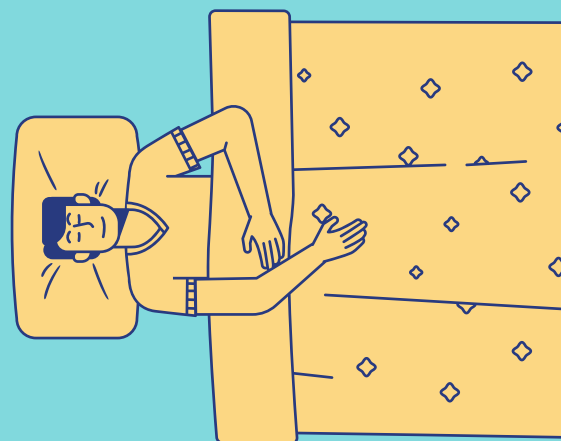

Twice everyday we will check
our temperature.

We can check our temperature
with a thermometer in our
mouth or ear

If I feel sick

If feel sick or have a cough I must tell my grown-ups

I might have to stay in my bedroom

I may need to visit the doctor or get a test
